

Reno Initiative for Shelter and Equality (RISE) needs your help!

Job loss, disability, and hard times can happen to anyone. Hundreds of our community members will be without warm shelter this winter. Everyone has the ability to recover and overcome difficult times. Please join RISE in our initiative in promoting hope by donating/collecting emergency shelter supplies for our neighbors.

Did you know that there is a 90-day shelter limit per 12-month period here in Reno? The unavailability of other housing alternatives means our neighbors will be camping out this Winter.
